

53-RGK

Professional Rivet Gun Kit

Our pro rivet gun kit contains USATCO'S 17-3XSP, 17-4XSP, 17-5XSP or 17-7XBSP riveting air hammer, a total of 14 rivet sets, four of our most popular bucking bars, two different retainer springs, and one power regulator for accurate adjustment of hammer blow.

This kit is packed in a sturdy molded plastic case and is intended for the professional sheet metal mechanic, serious home builder or student. Please see chart below for individual item numbers.
