

20-T-25

Flat Offset Drill Attachment (short handle)

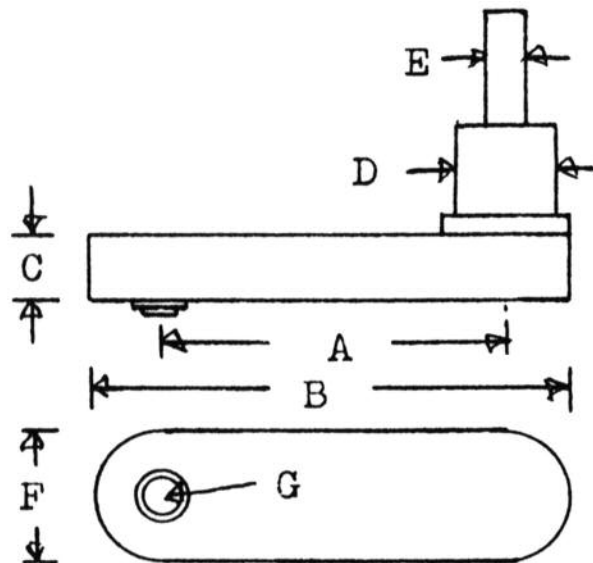

*10-32 or 1/4"-28
Threaded Spindle*

1/4" Capacity

The 2-5/16" offset gives greater access to tight places. Needle bearings in the handle, as well as a hardened alloy steel drive shaft and gears make this a very durable tool.

Parts List		
Part Number	Description	Qty.
T-25-A	Front Spindle Bearing	1
T-25-B	Spindle Gear (10-32 or 1/4"-28)	1
T-25-D	Drive Shaft Gear	1
